Warranty exchange or replacement does not extend the original warranty period of the Product.The sole warranty, if any, with the respect to such nonCanon brand items is given by the manufacturer or producer thereof. This limited warranty covers all defects encountered in normal use of the Products, and does not apply in the following cases A Canon Customer Care representative will attempt to diagnose the nature of the problem and correct it over the telephone. If the problem cannot be corrected over the telephone, you will be asked to follow the applicable procedures for MAILIN SERVICE. Note that a dated proof of purchase is required at the time of service.

MAILIN SERVICE is a program under which your Product is repaired by a Canon U.S.A. or a Canon Canada authorized service center for the Product. You will be given the name, address and phone number of an authorized service center. It is your responsibility to properly package and send the defective Product, together with a copy of your dated proof of purchase, a complete explanation of the problem and a return address to the authorized service center at your expense. Do not include any other items with the defective Product. The Product covered by this limited warranty and proven to be defective upon inspection will be repaired and returned to you without charge by the authorized service center. Any Product received by the authorized service center that is not covered

by the limited warranty will be returned unrepaired, or at the discretion of the authorized service center, you may receive a written estimate of repair at such cost as the service center may establish from time to time. Scroll down to easily select items to add to your shopping cart for a faster, easier checkout. Visit the Canon Online Store Provides uninterrupted power for shooting or downloading. Effectively doubles the flash range of the camera. Comes with mounting bracket. This product is classified as spare parts for the camera. In most cases, replacement of the screen does not require soldering. For the repair of your camera needs qualification. So if you are not confident in their abilities entrust this work to professionals. However, to replace a broken screen and you can own. This will greatly reduce the cost of repairs. How to change the display. Required accuracy and the ability to understand the repair manual in English. If necessary, can send a manual for repair on this model. You buy a spare part as in the photo. If you have any questions please contact us.
